

# DT150V

3G WIRELESS PHONE

## Description

---

For residences, small businesses that need mobility or even seniors, thanks to its easy usage interface.

## Features

---

GSM 900/1800 MHz and UMTS 900/2100 MHz network

---

1.8" Color display

---

SIM-in system

---

Integrated Handsfree

---

Multi-conference

---

Call transfer

---

SMS messaging

---

Phone, network security and SIM card lock

---

SIM Toolkit support

---

## Specifications

|                               |   |
